

NOTICE TO MARINERS

No. 15 – 2018

PORT OF GREAT YARMOUTH

Haven Bridge

NOTICE IS HEREBY GIVEN that Haven Bridge is currently non-operational, and unable to lift for vessel traffic. Engineers are working to diagnose the fault, and formulate a plan of repairs, once the cause of the fault is identified.

The timeframe for returning the bridge to operation is unknown at this time, however repairs are unlikely to be completed before this coming weekend (16th & 17th June). This is due to the anticipated timeframe to source spare parts for a 90 year old bridge.

This announcement is released today in order to provide maximum notice to vessel owners hoping to use the bridge over the airshow weekend, and to allow them time to make alternative journey plans. Should the bridge be returned to service prior to this coming weekend, we will issue an update as appropriate.

NTM 14 – 2018 (Haven Bridge Lift Allocations 16th and 17th June) is hereby cancelled with immediate effect.

On behalf of **Harbour Master**

14th June 2018
