## NOTICE TO MARINERS

### LOWESTOFT OUTER HARBOUR – ROTATION AND LOADING OF NORTH SEA BARGE ‘GREENBARGE 1’ ON SLP SOUTH LOAD OUT BERTH

Mariners and Port Users are advised of the following operations with the large North Sea barge ‘Greenbarge 1’, which is moored on the SLP South Load Out berth.

On 15<sup>th</sup> June, between approximately 09:00 and 13:00 the barge will be rotated into a position where it is “end on” to the SLP South Loadout. During this time there will be restrictions on vessels passing.

On 16<sup>th</sup> June, between approximately 07:30 and 16:00 the loadout will take place.

**During this time, when the loadout is in progress, there will be no vessel movements past the barge without the express permission of the Harbour Master.**

On 17<sup>th</sup> June, between approximately 10:00 and 13:00 the barge will be rotated back to its original position alongside the South Loadout. During this time, there will be restrictions on vessel movements past the barge.

At all times, Mariners and Port Users are requested to navigate with caution when passing the barge, particularly during hours of darkness. Speed must be kept to a minimum to reduce the effects of vessel wash on barge activities.

Please contact Lowestoft Port Control, VHF Ch14, or Tel. 01502 572286, if further information is required.

Harbour Master
