

Schedule of hire boats operated by

If this schedule is
incorrect please
amend or add new
details as required.

The full loading and stability test report must be enclosed for each class or individual vessel.

NOTES

- 3 Circle to indicate whether the report is for an individual boat (I) or is for one vessel and is representative of a class of boat (C).
- 4 State the reference number of the report for either the individual boat or the class of boats.
