There will be intermediate marker buoys deployed, SLB1250 (FI Y 3s) and SLB 700 (FI Y 2s), to outline the restricted area. The initial deployment of the buoys will occur during the week commencing the 11th June and they will be recovered the weekend of the show. The area will restrict movement of all vessels and personal watercraft except craft participating in an Air Show programmed display during the weekend. There will be emergency and official Air Show watercraft patrolling the restricted area to ensure compliance.

Mariners are advised that launch and recovery of vessels, other craft and anchorage is prohibited in this area during the above stated times. All vessels are advised to remain clear of the restricted area during the above stated times.
