

	<p>AK – attended UCL Refresh conference. Lot of research going on, now looking for opportunities to disseminate. Potential to use CBA website? Also opportunities to access EU funding.</p> <p>NP – Ecosystems Services Opportunity Mapping – see Neil’s email dated 30/10/13 for details and example of what can be produced. AK noted we have sufficient funds to support, approx £2k. Initial maps from running SCIMAP model tabled and discussed. Discussed how this relates to NE work on sediment finger printing. BM discussed recent meeting with Graeme Taylor, SUDS Engineer at NCC looking at opportunities for retrofitting SUDS on rural roads. Agreed should invite Graeme to next meeting to discuss how to take forward. BB indicated that Rivers Trust may be interested in trialling.</p> <p>RW – Workshop telecons – summarised for those not in attendance.</p>	<p>Andrea to send Barry contact details.</p> <p>Bridget</p>
5.	<p>December Workshop Agreed need to send out pre event material by 19 November. Draft agenda to be sent out early next week. All to provide Neil with comments on suggested document by 13 November – emailed to group on 30/10/13</p> <p>Ask attendees to come armed with what is important to them and ideas on how to fix it.</p> <p>A lengthy discussion followed on how to structure the group sessions and what we want to achieve from them. Neil captured this and will translate into an agenda for us. Thank you Neil.</p>	<p>ALL to provide comments to Neil by 13 NOV</p> <p>Neil</p>
