## NOTICE TO MARINERS

### LOWESTOFT OUTER HARBOUR – NORTH SEA BARGE 'GREENBARGE 1' ON SLP SOUTH LOAD OUT BERTH

Mariners and Port Users are advised that large North Sea barge 'Greenbarge 1', is moored on the SLP South Load Out berth. Her moored position reduces channel width through to the Waveney Dock to approximately 30m (as indicated by plan below).

The barge is currently not lit, but plans are to mark the outboard corners of the barge with yellow flashing beacons.

The barge is expected to be moored in this position for up to one month's duration. During this period Mariners and Port Users are requested to navigate with caution when passing the barge, particularly during hours of darkness. Speed must be kept to a minimum to reduce the effects of vessel wash on barge activities.

Lowestoft NTM No.19 regarding barge arrivals is hereby cancelled.

Please contact Lowestoft Port Control, VHF Ch14, or Tel. 01502 572286, if further information is required.
