

Application for Registration and Payment of Tolls

If you use or keep your vessel in the Broads Authority Navigation Area or Adjacent Waters for more than 28 days you must register your vessel with the Broads Authority and pay a Toll. For less than 28 days vessels need not be registered but must have a short visit toll.

The Broads Authority Annual Tolls year is a fixed period and runs from 1st April to 31st March. There is no pro-rata reduction in price for vessels registered after 1st April.

Notes

Note 1: 'Overall length' means the full length of a vessel and includes any fixed fendering, bowsprit and such davits as are not retractable attached to the vessel.

Note 2: 'Hull length' means the hull length of a vessel including any fixed fendering but excluding any bowsprit or davits attached to the vessel.

Note 3: 'Extreme beam' means the full width of a vessel at its widest part and includes fixed fendering.

Note 4: A 'dayboat' is defined as a boat without any berths (sleeping accommodation), toilet or cooker.

Alterations to vessels / Changes to particulars - The owner of a registered vessel is required to notify the Broads Authority in writing of any alteration to the vessel or change in particulars which renders incorrect any application for registration which he/she has made. The registration certificate should be submitted for cancellation/alteration.

Change of ownership - The seller/transferor must within 28 days of date of sale/transfer notify the Broads Authority of the sale/transfer by completing a Transfer of Ownership form. Until this is done the vessel may remain registered in the same ownership and the former owner may remain responsible for payment of tolls and compliance with the byelaws. The seller/Transferor should pass the registration certificate to the Purchaser/Transferee.

The Purchaser/Transferee should with 28 days apply to the Broads Authority for a new registration certificate and should submit the old registration certificate for cancellation
