NOTICE TO MARINERS

LOWESTOFT - FOR SURVEY OPERATIONS IN LAKE LOTHING (REVISED)

Mariners and Port Users are advised that **continued** hydrographic survey operations will be taking place in Lake Lothing on Monday 15th and Tuesday 16th April. These will be conducted using a remote controlled surface vessel (photo below), operated by 'Survey Solutions'. The craft will be remotely controlled from the quayside. The survey area will extend across the river from North quay 5 and Kirkley Ham (shown on below chart extract). The survey will only be undertaken in daylight hours and will be subject to favourable weather conditions.

The remote craft will be launched from Silo quay steps. A shore side team operating the craft will be monitoring VHF Ch14 during the survey and all river traffic will be given priority.

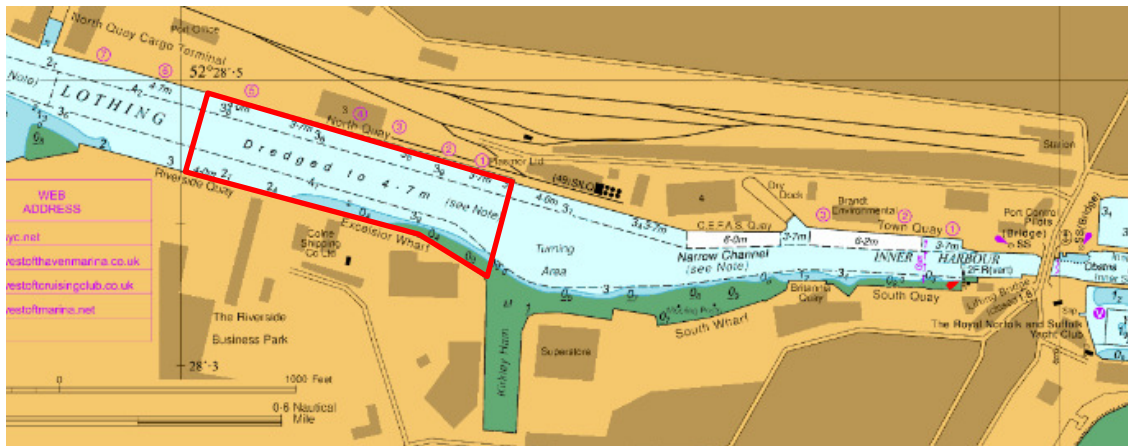

Please contact Lowestoft Port Control, VHF Ch 14, Tel. 01502 572286, if additional information is required.
