FAO Mr Chris Bromley

Dear Mr Bromley

**Re: Proposed Extension to Existing Mooring Basin and
Associated Works, St. Olaves Marina
Agreement under Section 106 of the Town & Country Planning Act**

I refer to my letter of 16 July 2001.

I have instructions to drop the maintenance requirement which was in Clause 3(ii).

I have also slightly adjusted the covenant in 2(ii)(a).

I enclose a copy of the Agreement as revised.

If you would kindly confirm that it meets with your approval I will send you a copy for signature.

My costs on the Agreement are payable and I will shortly let you have a note of them.

Yours sincerely

Chris Brown
