

Summary of Progress/Actions/Response Taken Following Discussions at Previous Meetings
Report by Administrative Officer

Date of Meeting and Minute No	Discussion	Responsible Person	Summary of Progress
31 July 2014 Minute 4/15 Current Issues	The proposed permissive footpath from Ludham to St Benet's Abbey had still not been formally opened as reaching signed agreement with all of the landowners had been taking longer than expected, however it had been agreed informally with all landowners and therefore he anticipated it could be in place soon.	Senior Waterways and Recreation Officer	A meeting with Mr Lumbard has taken place and terms of the three agreements and the scope of the works required to establish the path have now been agreed with the relevant landowners. The Broads Authority's property advisors are now preparing the formal documentation.
6 November 2014 Minute 2/5 Summary of Progress	Outcome of future plans for the Ludham Bridge area which have been discussed with the Environment Agency	Senior Waterways and Recreation Officer	Officers have had further discussions and correspondence with the Environment Agency and are currently waiting for a formal reply on the matter from the Agency's property department.
