In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued ‘Statement of responsibilities of auditors and audited bodies 2015-16’. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Purpose

Purpose

The Purpose of this Letter

The purpose of this annual audit letter is to communicate to Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Authority.

We have already reported the detailed findings from our audit work in our 2015/16 Audit Results Report to the 27 September 2016 meeting of the Financial Scrutiny and Audit Committee, representing those charged with governance. We do not repeat those detailed findings in this letter. The matters reported here are the most significant for the Authority.

Responsibilities

Responsibilities

Responsibilities of the Appointed Auditor

Our 2015/16 audit work has been undertaken in accordance with the Audit Plan that we issued on 18 January 16 and is conducted in accordance with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office.

As auditors we are responsible for:

- ▶ Expressing an opinion:
 - ▶ On the 2015/16 financial statements; and
 - ▶ On the consistency of other information published with the financial statements.
- ▶ Forming a conclusion on the arrangements the Authority has to secure economy, efficiency and effectiveness in its use of resources.
- ▶ Reporting by exception:
 - ▶ If the annual governance statement is misleading or not consistent with our understanding of the Authority;
 - ▶ Any significant matters that are in the public interest;
 - ▶ Any written recommendations to the Authority, which should be copied to the Secretary of State; and
 - ▶ If we have discharged our duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

Alongside our work on the financial statements, we also review and report to the National Audit Office (NAO) on your Whole of Government Accounts return. The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the return.

Responsibilities of the Authority

The Authority is responsible for preparing and publishing its statement of accounts accompanied by an Annual Governance Statement. In the AGS, the Authority reports publicly each year on how far it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and any changes planned in the coming period.

The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

The background is a blurred office scene. In the foreground, there are several clear glass tumblers filled with water on a wooden desk. Behind them, a laptop screen displays a financial chart. To the left, there are some papers, including one with a circular diagram and another with a grid of small squares. A pen and a calculator are also visible on the desk.

Financial Statement Audit

Financial Statement Audit

Key Issues

The Authority's Statement of Accounts is an important tool for the Authority to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Authority's Statement of Accounts in line with the National Audit Office's 2015 Code of Audit Practice, International Standards on Auditing (UK and Ireland), and other guidance issued by the National Audit Office and issued an unqualified audit report on 27 September 2016.

Our detailed findings were reported to the 27 September 2016 meeting of the Financial Scrutiny and Audit Committee.

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>We identify and respond to this fraud risk on every audit engagement.</p>	<p>We</p> <ul style="list-style-type: none">• Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements• Reviewed accounting estimates for pensions liabilities and property, plant and equipment valuations for evidence of management bias; and• Evaluated the business rationale for any significant unusual transactions.• Reviewed capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised. <p>The results of our audit testing did not identify any instances of management bias in accounting estimates reviewed or identified any inappropriate journal entries.</p> <p>No significant unusual transactions were identified during the course of the audit.</p> <p>All tested capital expenditure met the relevant accounting requirements and were appropriately capitalised.</p>

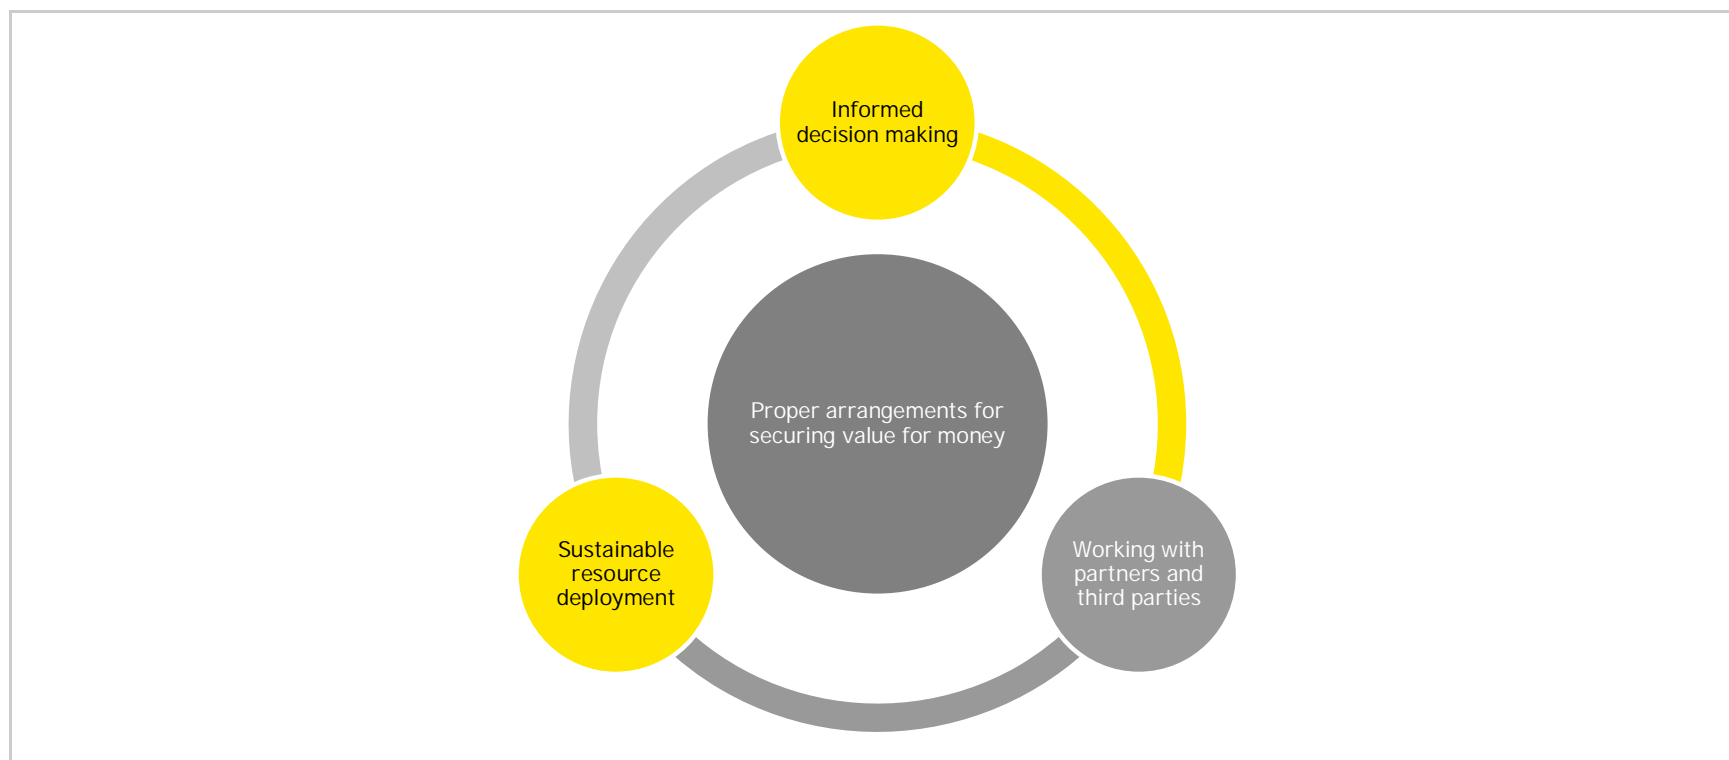

Value for Money

Value for Money

We are required to consider whether the Authority has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

We issued an unqualified value for money conclusion on 30 September 2016.

Our audit did not identify any significant matters in relation to the Authority's arrangements.

Our detailed findings were reported to the 27 September 2016 meeting of the Financial Scrutiny and Audit Committee.

The key issues identified as part of our audit were as follows:

Significant Risk	Conclusion
<p>Medium term financial planning</p> <p>At the time of our planning we noted the grant settlement for all national parks would remain consistent with funding from previous years, but an uncertainty relating to the specific allocations to the individual Parks Authorities in 2016/17 and in future years.</p> <p>Management, at that time, were taking the view that 2016/17 financial planning would involve the use of reserves to support any budget shortfall, with the plan to develop a more detailed medium term response once the funding became more certain.</p>	<p>The specific allocations to the individual parks authorities were released in sufficient time to be taken into account in the Authority's budgeting process. Upon receipt of the confirmation, the Authority incorporated this in its 2016/2017 to 2018/2019 budget and medium term forecasts, removing a potential source of uncertainty.</p> <p>Our review of the 2015/16 outturn, the key assumptions made within the medium term financial plan, and the annual budget setting process, did not identify any issues with the Authority's financial planning and response to the changes in funding. We assessed the arrangements put in place to be adequate.</p>

Other Reporting Issues

Other Reporting Issues

Whole of Government Accounts

We performed the procedures required by the National Audit Office on the accuracy of the consolidation pack prepared by the Authority for Whole of Government Accounts purposes. We had no issues to report.

The Authority is below the specified audit threshold of £350 million. Therefore, we did not perform any audit procedures on the consolidation pack.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Authority's annual governance statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it is misleading.

We completed this work and did not identify any areas of concern.

Report in the Public Interest

We have a duty under the Local Audit and Accountability Act 2014 to consider whether, in the public interest, to report on any matter that comes to our attention in the course of the audit in order for it to be considered by the Authority or brought to the attention of the public.

We did not identify any issues which required us to issue a report in the public interest.

Written Recommendations

We have a duty under the Local Audit and Accountability Act 2014 to designate any audit recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response.

We did not identify any issues which required us to issue a written recommendation.

Objections Received

We did not receive any objections to the 2015/16 financial statements from member of the public.

Other Powers and Duties

We identified no issues during our audit that required us to use our additional powers under the Local Audit and Accountability Act 2014.

Independence

We communicated our assessment of independence in our Audit Results Report to the Financial Scrutiny and Audit Committee on 27 September 2016. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning regulatory and professional requirements.

Control Themes and Observations

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit.

No deficiencies in internal control were identified during our audit.
