

Geography KS2 - Activities

Topic	Outdoor activities	Classroom activities	Providers
Rivers of the Broads National Park	<ul style="list-style-type: none"> Take a led river trip or river walk, carrying out fieldwork to include observation, measuring, recording, river processes and river management. 	<ul style="list-style-type: none"> Use maps to discover and examine the rivers from source to estuary, and use of the surrounding areas. 	Broads Authority, Suffolk Wildlife Trust
The water cycle, water use, water life and water pollution	<ul style="list-style-type: none"> Visit a local broad, river, dyke or other area of water to dip and discover what lives there. Play a water cycle game, from source to estuary, and identify any sources of pollution and how they affect the water quality. 	<ul style="list-style-type: none"> Create a freshwater invertebrate identification sheet. Draw water cycle diagrams and make models. Research and create a water use game. Investigate water pollutants and their source. 	Broads Authority, Essex & Suffolk Water, How Hill Trust, Norfolk Wildlife Trust, RSPB, Suffolk Wildlife Trust
Identifying the special qualities of the Broads	<ul style="list-style-type: none"> Take part in a digital biathlon, including map work, photography, experiences and recording through digital technology. 	<ul style="list-style-type: none"> Look at landscape maps and identify areas of local interest. Make films. 	Broads Authority; Water, Mills & Marshes
Landscape change, human activity and land use	<ul style="list-style-type: none"> Study your own area in the Broads (or one close to you), sketching, recording features and interviewing people. 	<ul style="list-style-type: none"> Use maps to identify populated, industrial and wild areas. Set a hypothesis to answer in the field. 	Broads Authority, Suffolk Wildlife Trust
Tourism and leisure: their evolution, importance to the economy and effect on the environment	<ul style="list-style-type: none"> Visit a tourist site, village or town, for example Toad Hole Cottage at How Hill, Ranworth or Wroxham, assessing use of the Broads for tourism and recreation. 	<ul style="list-style-type: none"> Research different tourist attractions and discuss their positive and negative aspects. 	Broads Authority, Broads Tours, How Hill Trust, Norfolk Wildlife Trust, RSPB, Salhouse Broad, Suffolk Wildlife Trust, other Visit the Broads members
