Work in the Broads?			
The things I like about the Broads are...	Peace and tranquillity. Wildlife and habitats.	Openness Wildlife Open space Freedom to roam far from town. Cannot be beaten for views, wildlife and recreation.	No comments
The things I would like to keep the same about the Broads are...		Well managed area with access for all Everything! The same commitment to freedom of space	No comments
The things I would like to see changed are...	More collaboration with local people	More informed chapters that are happening in the Broads locally.	No comments
Then things I don't like about the Broads are...	Unrestricted development. Short-sighted development. 'Theme Park' tourist attractions.	Encroachment to build on the Broads	No comments
The challenges facing the Broads over the next 20 years are:	Tourism and Development versus conservation.	Funding Keeping commercialisation in check Encroachment by developers	No comments
Describe the Broads in three words...	Magical water world. Habitat at risk.	A wonderful space A living haven Conservation of nature	Distinctive Local Character Wet, windswept, wonderful.

It is estimated that around 50 people came to the event.

Comments on Planning Boards	Stalham	Oulton	Brundall
Q1 What can we do in the Local Plan to benefit the community of the Broads	No comments	Housing sympathetic to the Broads' environment. Involve locals in decisions. Reconsider Oulton Broad conservation area. Do not allow housing to encroach on this area. Reinstate the free jetty Oulton Broads at Mutford Lock	No comments

Q2 What can we do in the Local Plan to benefit the economy of the Broads?	No comments	Encourage apprenticeships of all traditional trades. Go into schools to encourage youngsters to take up apprenticeships. Encourage rural employers to work with colleges etc in explaining how rural economy works and the importance of maintaining job opportunities in this area. Replace free jetty to support local shops in Oulton Broad.	No comments
Q3 What can we do in the Local Plan to benefit the environment of the Broads?	No comments	Living afloat. Rubbish disposal. To show history and to take care of our environment before the knowledge of our elders has disappeared.	No comments
Q4 What can we do in the Local Plan to benefit visitors to the Broads?	No comments	Encourage picnics. Relaxation History. Workshops to display old skills Work with local transport providers to publicise routes and times etc and local accommodation.	No comments
Q5 What can we do in the Local Plan to benefit the navigation and use of the Broads.	No comments	To encourage young ones in vocations of jobs on the Broads. Replacement of free jetty Mutford Lock Oulton Broad. Need a floating pontoon downstream at Ellingham Replace the jetty that was removed by Waveney Council unlawfully.	Encourage increase in number of public slipways.
Q6 Tranquillit... where do you get away from it all in the Broads?	No comments	Hickling, Oulton, Ranworth, the Waveney Valley.	No comments
