

## Update - Navigation Restriction due to Dredging Operations on Haddiscoe New Cut

**Notice is hereby given that due to delays, the dredging operations are now programmed to commence from Monday 19 February until Friday 15 March 2024.**

During this period, dredging will be in operation between 08:00 hours and 16:00 hours daily, excluding weekends. The works may restrict the passage of vessels; Before attempting to pass, Mariners must await clear instructions from the dredging crew and exercise great care whilst proceeding past the works.

Outside of the hours of operation a minimum width of 26ft/8.0m will remain past the works equipment for the passage of vessels.

The works will take place at the following approximate position: TM 45656 98895 & TG 39984 01614 (shown in red on the plan extract).
