Dear Inspectors

Request for Inspectors to Recommend Main Modifications

I write further to our submission of the Local Plan for the Broads: Review Plan Period 2021–2042 Publication (Regulation 19) Re-Consultation November 2025 (the Plan).

In accordance with section 20(7C) of the Planning and Compulsory Purchase Act 2004, the Broads Authority formally requests that you recommend any Main Modifications that you consider are necessary to make the Plan legally compliant and/or sound.

Yours sincerely

Natalie Beal
Planning Policy Officer
