

Navigation Restriction on Approaches to Breydon Bridge (A47) Gt. Yarmouth - Update

Notice is hereby given that the major maintenance works on Breydon Bridge are now scheduled to be completed by Sunday 15 October 2023 (please note this new date has changed from the updated date published in June 2023).

The maintenance works involves the replacement of the existing hydraulic lifting system from the central span using an underslung scaffolding. **Note:** During the above period navigation will remain open to the side spans, but the bridge central span will be closed and unable to open to vessels.

Grid Reference TG 51624 08035 (shown in red on the plan extract). Please ensure that the new position is taken into consideration for passage planning and when navigating in this area.
