

Schedule of changes to the Local Plan for the Broads post-examination

Changes to Local Plan

The following changes have been made to the Local Plan for the Broads since the examination ended. They reflect some factual inaccuracies as well as typographical and grammatical errors. On occasion they may provide clarification. They are all judged to be minor changes and are explained and set out in the following table. The final two columns show the SA assessment of these changes using the following key. For the HRA assessment, please see the HRA addendum document that accompanies the adoption documents.

For the HRA column	No Likely Significant Effect	/
	Likely significant effect	

For the SA column	No effect on SA	/

-	Throughout	Instances of 'Waveney District Council HMA' now say 'Waveney HMA'. On occasion the text has been changed to say 'East Suffolk' or 'former Waveney District'.	Since 1 April 2019, the former Council and Area that was Waveney District Council is now East Suffolk.	The change is factual.	/	
-	Throughout	All hyperlinks checked and working as at 23 April 2019. On occasion some hyperlinks that were not working were removed or replaced.	The few changes made are to mend broken links and delete those that are not working. The hyperlinks still take you to the same place.	To ensure the hyperlinks work at the time of adoption.	/	
-	Throughout	Cross references to other policies checked and amended where appropriate.	To ensure that the correct policy numbers are used when cross referring to other policies.	The change is factual.	/	
-	Throughout	NPPF references checked and date changes from 2018 to 2019.	To ensure the information given is correct as NPPF updated in 2019.	The change is factual.	/

31	SP2 supporting text.	Approximately 95% 82.5% of the Broads Authority Executive Area is covered by flood zone 3 (3, 3a & 3b) of the Broads Authority area is at some risk of flooding; This equates to 25,472 hectares. This includes more than 2000 properties and almost 30,000 hectares. The Broads Authority boundary is tightly drawn around the edge of the floodplain.	Updated to reflect the recent SFRAs.	The change is factual.	/	
37	DM6 supporting text	The majority of the Watercourses in the Broads are regulated and maintained by the Internal Drainage Board <u>or by private landowners.</u> The IDB have who their own local surface water policy which takes precedence over national best practice (https://www.wlma.org.uk/broads-idb/development/).	The proposed text was not quite factually correct.	The change is factual.	/

119	DM38	'Development of a new dwelling or a residential mooring for rural workers will only be permitted outside the defined development boundaries <u>(or other locational criteria if for a residential mooring)</u> if...'	Residential moorings have additional locational criteria as set out in DM37 and this change provides consistency with that policy.	This reflects the change to DM37 to ensure consistency.	/	
125	DM42 supporting text	' <u>Custom/self-build register</u> Since April 2016, the Authority has <u>had</u> a register ^[1] in place where those wishing to build their own homes can register their interest. At the time of writing (September 2017) <u>adopting this Local Plan</u> there were <u>190</u> individuals interested in building their own home on the register. However, it is important to note that the register covers four Local Planning Authorities who use the same register: South Norfolk, Breckland, King's Lynn and West Norfolk and the Broads Authority. When assessing the register, in the vast majority of cases, individuals have stated that they wish to develop in the Broads as well as in another district; few, if any, individuals express a desire to develop in the Broads alone.'	To correct a typographical/grammatical error. To ensure it is correct and up to date. Final figure will be taken from the register when Local Plan is adopted.	The change is factual.	/
