

Navigation Restriction Update – Breydon Bridge (A47) Gt. Yarmouth - Updated 06 May 2022.

Notice is hereby given that John Graham Construction Ltd will be undertaking major maintenance works on Breydon Bridge, **from Monday 5 September 2022 until Friday 24 February 2023** (please note these new dates which have changed from those initially published in January 2022).

The maintenance works will involve the replacement of the existing hydraulic lifting system from the central span using an underslung scaffolding. **Note:** During the above period navigation will remain open to the side spans, but the bridge central span will be closed and unable to open to vessels with a greater air-draft of 13ft.

Grid Reference TG 51624 08035 (shown in red on the plan extract). Please ensure that the new position is taken into consideration for passage planning and when navigating in this area.

If travelling across Breydon Water you will need to pass through Breydon Bridge. Do not risk going through the bridge unless you have sufficient clearance, always check the gauge at the side of the bridge.

When approaching go through the right-hand side span and navigate between the two arrows on the bridge.

All equipment will be lit and signage will be in place to warn of the restriction.

Please contact the Broads Authority, Yare House, 62-64 Thorpe Road, Norwich, Norfolk, NR1 1RY Tel (01603) 610734 if additional information is required.
