Amendment to “Scheme of powers delegated to the Chief Executive and other authorised officers” to include planning enforcement matters

Report by Senior Governance Officer

Summary

The need to clarify the position regarding the handling of planning enforcement matters has come to light. Amendments to the “Scheme of powers delegated to the Chief Executive and other authorised officers” are proposed to address this.

Recommendation

To adopt the proposed changes to the planning section of the “Scheme of powers delegated to the Chief Executive and other authorised officers”.

1. Introduction

- 1.1. In 2021 the Broads Authority reviewed its scheme of powers delegated to officers as a [document](#) entitled “Scheme of Powers delegated to Chief Executive and other authorised officers”. This was approved by the Authority on 19 March 2021. The revised scheme has been implemented following its adoption.
- 1.2. The seven principles of public life apply to anyone who works as a public office-holder. This includes people who are elected or appointed to public office, both nationally and locally, and as such applies to Authority members and officers. The overarching principles were first set out by Lord Nolan in 1995 in the Government’s First Report on Standards in Public Life. They were reasserted and refined in subsequent reports of the Committee on Standards in Public Life, most recently the Local Government Ethical Standards Report published in 2019. These principles are:
 - Selflessness: holders of public office should act solely in terms of the public interest.
 - Integrity: holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

- Objectivity: holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
 - Accountability: holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
 - Openness: holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
 - Honesty: holders of public office should be truthful.
 - Leadership: holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.
- 1.3. Section 27 of the Localism Act 2011 (as amended) requires local planning authorities to promote and maintain high standards of conduct and adopt policies which should reflect these principles.

2. Dealing with planning breaches in the Broads

- 2.1. The [Local Enforcement Plan](#) explains the planning enforcement process and how it works in the Broads Authority executive area. It is a guide for those who may be affected by breaches of planning control. The standard process is explained in section 5 of the Local Enforcement Plan.
- 2.2. The standard process includes the following steps:
- Checking the breach
 - Initial investigation and site visit
 - Following the site visit
 - Submitting a retrospective planning application
 - Taking formal enforcement action
- 2.3. In the step “Following the site visit”, there are two scenarios. If it is clear that there is no planning breach, or that the development is permitted development or has planning permission, the case will be closed. If a planning breach is found, the process continues.
- 2.4. In other words, officers consider that an investigation is complete when one of the following points has been reached:
1. the investigation identifies that no breach of planning control has occurred or that due to the passage of time that no action can be taken;
 2. an alleged breach of planning has been identified but then resolved by negotiation;

3. a planning application or other form of application has been submitted and approved following the investigation;
 4. a breach of planning control has been identified, including when an application has been requested but not submitted, and it is not considered expedient to take formal action; or
 5. formal action has been taken through taking enforcement action.
- 2.5. The proposed change for the scheme of delegation applies to point 4 and 5, when a breach of planning control has been identified.
- 2.6. The other situations listed in 2.3 do not apply, as:
- Point 1 and 2 refers to situations where there is no breach of planning. So, there would not be a decision to make about the need to take enforcement action.
 - It is noted that Point 1 covers the situation of an investigation carried out as a result of a malicious or spurious complaint.
 - Point 3 is covered under the current scheme of delegation, as there is no delegation to officers for planning applications where any Authority member or Authority officer is involved in the application.

3. Proposed change in the scheme of delegation

- 3.1. There is a provision in section (37)(ix) of the scheme of delegation, common to many Local Planning Authorities, to require that where any Authority member or Authority officer is involved in a planning application then that application must be determined by the Planning Committee. The purpose of this provision is to ensure transparency and probity of decision-taking.
- 3.2. The term “involved” is already used in the scheme of delegation in section (37)(ix). What is meant by “involved” is somebody with either:
- Disclosable Pecuniary Interests, which include business, trade, profession, contract and wider financial interests such as land, payments, securities, shares etc;
 - If a spouse or civil partner has interests which would be considered Disclosable Pecuniary Interests;
 - A personal interest which is likely to be seen as prejudicing their impartiality or ability to meet the principles of public life.
- 3.3. It has become apparent that there is no equivalent provision relating to enforcement matters where either a member of the Authority or officer employed by the Authority is involved. More precisely, this applies to cases where a breach of planning control has been identified, when it is considered whether it is expedient to take formal action. This omission could result in there being a perception of favourable treatment being shown, where either a member of the Authority or officer employed by the Authority is

involved. There is currently no mechanism by which a third party can assess how any decision was reached, and for this information to be made public.

- 3.4. A report was presented to the Broads Authority in May 2022 with a proposal to include the following wording in the scheme of delegation:

“The determination of enforcement cases is considered to fall within the delegation scheme and will be undertaken by officers, unless any Authority member (including co-opted members of the Navigation Committee) or Authority officer is involved in the case.”

- 3.5. At its meeting on 13 May 2022, the Broads Authority requested that the wording above is amended, and that it gets checked that the proposal is legal. The proposed amended wording is included at section 3.7. The check on the proposal being legal is included at section 3.8.

- 3.6. It is the case that other Local Planning Authorities include such provisions in their scheme of delegations, such as:

- 3.6.1. At Pembrokeshire Coast National Park, it says that every enforcement case is delegated unless:

- the case relates to a Member of the Authority, or a Member of his /her immediate family or a Member who has left the Authority less than twelve months prior to the commencement of the investigation or
- the case relates to a site in which an officer employed by the Authority has an interest.

- 3.6.2. At Dartmoor National Park Authority, it says that matters are delegated to officers unless: *“the application or other matter (not being a Lawful Development Certificate) directly concerns the Authority, a Member or Officer of the Authority or any person living in the same household as a Member or Officer of the Authority”*.

- 3.7. Officers looked at alternatives for the wording, and the revised proposal presented to the Planning Committee on 24 June was:

“The determination of enforcement cases is considered to fall within the delegation scheme and will be undertaken by officers, unless any Authority member (including co-opted members of the Navigation Committee) or Authority officer is involved in a breach of planning control.”

- 3.8. The legal view on amending the scheme of delegation as proposed was that the solicitor was “comfortable with the wording proposed, and consider that, as a public body, the Broads Authority should be open and honest regarding decisions and processes”. This captures a position where a member or officer is involved, in the same manner as the way planning applications are dealt with. Members and officers need to be conscious of their roles within the Authority and the perception of the public.

- 3.9. At the meeting on 24 June, the Planning Committee unanimously supported the proposals subject to the insertion of the word “material” so that the wording would read “... is involved in a material breach of planning control”. The solicitor was present at the meeting and confirmed he had no issues with this amendment.
- 3.10. The amended scheme of delegation in track change is available at Appendix 1.
- 3.11. At the meeting on 24 June, the Planning Committee also agreed to delegate authority to the Director of Strategic Services to make the necessary changes to the Local Enforcement Plan.

4. Risk implications

- 4.1. There is a risk that without this amendment there may be a perception of impropriety and the consequent reputational damage. It is in the public interest for the Broads Authority as a local planning authority to have effective delegation arrangements in place.
- 4.2. The Authority’s Monitoring Officer has been consulted and has no objections to amending the Scheme of Powers delegated to the Chief Executive and other authorised officers as proposed.

1. Introduction

- 1.1 The members of the Broads Authority are responsible for setting and monitoring the strategies, policies and financial guidelines of the Authority, whereas the officers are responsible for its day-to-day operation, and for providing advice to members.
- 1.2 Members have a right to make sure the decisions for which they are statutorily responsible and accountable are implemented by officers in a timely and efficient manner. The purpose of the 'Scheme of powers delegated to Chief Executive and other authorised officers' ('the Scheme') is to make sure that officers have the powers to make decisions and take appropriate action within the guidelines laid down.

2. General powers of all officers

- 2.1 The exercise of the delegated powers set out in the Scheme are subject to the following conditions.
 - a. The delegated powers shall at all times be exercised in accordance with:
 - (i) the statutory requirements of the Norfolk and Suffolk Broads Act 1988 and the Broads Authority Act 2009.
 - (ii) the Authority's strategies, policies and priorities as set out in the Broads Plan, guiding strategies, Broads Local Plan, Annual Business Plan and other relevant documents adopted by the Authority or its committees.
 - (iii) the Authority's Constitution, Standing Orders, Financial Regulations and approved budgets.
 - (iv) the law.
 - b. An officer shall not use a delegated power in any particular case if the matter appears to that officer to involve any matters of public controversy, questions of policy not yet decided by the Authority or its committees, or a significant change from established practice.
 - c. Where any matter involves considerations not within the professional or technical competence of the relevant officer, that officer shall seek appropriate advice from another officer or adviser before deciding what action, if any, to take.
 - d. Any power conferred upon the Chief Executive, including any power to act as the Proper Officer, may be exercised by another officer specifically nominated in writing by the Chief Executive. Details of the officers who have existing authorisation to exercise powers on behalf of the Chief Executive are set out in Section 4.
 - e. The Authority or a committee may request that action taken by an officer or officers under delegated powers be reported to it periodically.

- f. Failure to carry out the consultations in Table 2(a)(5) and Table 2(a) (47) of the powers delegated to the Chief Executive and paragraph (5.7) of the powers delegated to the Solicitor to the Authority (relating to cases of urgency or emergency) will not invalidate the exercise of the delegated power.
- g. The decision of the Chief Executive, in consultation with the Monitoring Officer, as to the scope and interpretation of these delegated powers shall be final.
- h. In accordance with the Openness of Local Government Bodies Regulations 2014, a decision-making officer must produce a written record¹ for any decision taken that has been delegated to them:
 - i. under a specific express authorisation, or
 - ii. under a general authorisation to officers to take such decisions and the effect of the decision is to:
 - grant a permission or licence;
 - affect the rights of an individual; or
 - award a contract or incur expenditure over £25,000.

The written record must be produced as soon as reasonably practicable after the decision-making officer has made the decision, and must contain the following information:

- iii. The date the decision was taken;
- iv. A record of the decision taken, along with the reasons for the decision;
- v. Details of alternative options, if any, considered and rejected; and
- vi. Where the decision is made under specific express authorisation, the name of any member of the Authority who has declared a conflict of interest in relation to the decision.

If there is a separate statutory requirement to record the decision, which includes the date and reasons for the decision, then this will be sufficient to satisfy the above requirement.

3. Proper Officers

- 3.1 The law makes provision for certain officers to be designated as the Proper Officer to carry out particular functions contained within various Acts of Parliament. The Authority's Proper Officer provisions are in Table 1(a) to (c).

¹ [Transparency \(broads-authority.gov.uk\)](https://transparency.broads-authority.gov.uk)

3.2 If the designated Proper Officer, not being the Chief Executive, is not available to exercise the function, then any officer authorised in writing by the Chief Executive will be entitled to do so.
