

# Navigation Restriction at Waxham Cut

Notice is hereby given that there is a restriction to navigation at Waxham Cut due to areas of shallow water. The shallow areas are located just downstream of Brograve Mill (TG 44776 23431). The Authority will continue to monitor the situation and will dredge the area affected when the programme allows.

Please ensure that this restriction is taken into consideration for passage planning and when navigating in this area. We recommend that boats navigate this area on a high tide.
