In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Financial Scrutiny & Audit Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of the Broads Authority for the year ended 2015/16. Subject to satisfactory completion of the following outstanding items we will issue an audit opinion in the form which appears in Appendix C:</p> <ul style="list-style-type: none"> • completion of subsequent events review • receipt of the signed management representation letter <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We had no issues to report.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Audit differences	<p>There are no unadjusted or adjusted audit differences.</p>
Scope and materiality	<p>In our audit plan presented at the 9 February 2016 Financial Scrutiny and Audit Committee meeting, we communicated that our audit procedures would be performed using a materiality of £148k. We have reassessed this based on the actual results for the financial year and have increased this amount to £150k due to the increase in gross expenditure in 2015/16 upon which materiality is based.</p> <p>The threshold for reporting audit differences which impact the financial statements has increased from £7k to £7.5k. The basis of our assessment is 2% of gross operating expenditure, which has remained consistent with prior years.</p> <p>We carried out our work in accordance with our Audit Plan</p>

Significant audit risks	We identified the following audit risk during the planning phase of our audit, and reported this to you in our audit plan: <ul style="list-style-type: none">• Risk of management override. The 'addressing audit risks' section of this report sets out how we have gained audit assurance over this issues.
-------------------------	---

Other reporting issues	We have no other matters we wish to report.
------------------------	---

Control observations	We have adopted a fully substantive approach and have therefore not tested the operation of controls.
----------------------	---

We would like to take this opportunity to thank the Authority's staff for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Authority's responsibilities

The Authority is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Authority reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Authority had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Authority's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.</p> <p>We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for pensions liabilities and property, plant and equipment valuations for evidence of management bias; and • Evaluated the business rationale for any significant unusual transactions. • Reviewed capital expenditure on property, plant and equipment to ensure it meets the relevant accounting requirements to be capitalised. 	<p>The results of our audit testing did not identify any instances of management bias in accounting estimates reviewed or identified any inappropriate journal entries.</p> <p>No significant unusual transactions were identified during the course of the audit.</p> <p>All tested capital expenditure met the relevant accounting requirements and were appropriately capitalised.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Authority's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

During the course of our audit of the financial statements we identified a number of disclosure amendments which were fully amended by the Authority, these included:

- No disclosures had been made in the draft financial statements in relation to the newly adopted accounting standard, IFRS 13 Fair Value Measurement, under which the Authority's investment property is valued.
- We identified a number of immaterial notes and nil balance disclosures that could be removed from the financial statements to assist in de-cluttering the accounts.

Control themes and observations

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Authority has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Authority.

Request for written representations

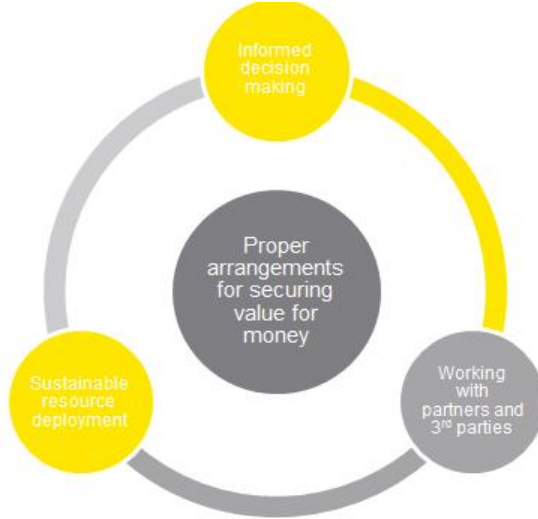

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix [D].

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We have concluded our work in this area and have no matters to raise to the Financial Scrutiny and Audit Committee.

4. Value for money

We are required to consider whether the Authority has put in place ‘proper arrangements’ to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We identified the following significant risk in relation to these arrangements:

- Medium term financial planning

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Authority’s arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.

We therefore conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Significant risks

The table below presents the findings of our work in response to the risk areas in our audit plan.

VFM risk identified within our audit plan	Impacts arrangements for:	Key findings
<p>Medium term financial planning</p> <p>The recent grant settlement communicated that national parks would remain with consistent funding to previous years. However, we note the level of uncertainty relating to the specific allocation of the National Parks Grant to the relevant Authorities in 2016/17 and in future years. Management have taken the view that 2016/17 financial planning will involve the use of reserves to support any budget shortfall, with the plan to develop a more detailed medium term response once the funding has become more certain.</p>	<ul style="list-style-type: none"> • Taking informed decisions; • Deploying resources in a sustainable manner; 	<p>Upon receipt of confirmation as to the level of National Parks grant funding over the medium term, the Authority prepared its 2016/2017 to 2018/2019 budget.</p> <p>Our review of the 2015/16 outturn, the medium term financial plan and the budget setting process has not identified any issues with the Authority’s response to the changes in funding and assess the arrangements put in place to be adequate.</p>

Appendix A – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated February 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee on 30 September 2016.

We confirm that we have met the reporting requirements to the Audit Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of February 2016.

Appendix B – Auditor fees

The table below sets out the scale fee and our final proposed audit fees.

Description	Proposed final Fee 2015/2016 £	Scale Fee 2015/2016 £	Variation comments
Total Audit Fee – Code work	13,943	13,943	

Our actual fee in in line with the scale fee set by the PSAA at this point in time, subject to satisfactory clearance of the outstanding work.

We confirm we have not undertaken any non-audit work outside of the PSAA's requirements.

Appendix C – Draft audit report

Independent auditor's report to the members of the Broads Authority

Opinion on the Authority's financial statements

We have audited the financial statements of the Broads Authority for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Movement in Reserves Statement;
- Comprehensive Income and Expenditure Statement;
- Balance Sheet;
- Cash Flow Statement;
- The related notes 1 to 35

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of the Broads Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Finance Director and auditor

As explained more fully in the Statement of the Treasurer and Financial Adviser Responsibilities set out on page 7, the Treasurer and Financial Adviser is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Finance Director; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of the Broads Authority as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Authority;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Conclusion on the Broads Authority arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1) (c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Broads Authority had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Broads Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Broads Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, the Broads Authority put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Certificate

We certify that we have completed the audit of the accounts of the Broads Authority in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

Dear Kevin,

**Broads Authority
Letter of Representations**

This letter of representations is provided in connection with your audit of the financial statements of the Broads Authority (“the Authority”) for the year ended 31 March 2016. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of Broads Authority as of 31 March 2016 and of its income and expenditure for the year then ended in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with [the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16].
2. We acknowledge, as members of management of the Authority, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Authority in accordance with [the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16]. We have approved the financial statements.

3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
4. As members of management of the Authority, we believe that the Authority has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, that are free from material misstatement, whether due to fraud or error.

B. Fraud

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
2. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
3. We have disclosed to you all significant facts relating to any frauds, suspected frauds or allegations of fraud known to us that may have affected the Authority (regardless of the source or form and including, without limitation, allegations by “whistle-blowers”), whether involving management or employees who have significant roles in internal control. Similarly, we have disclosed to you our knowledge of frauds or suspected frauds affecting the entity involving others where the fraud could have a material effect on the financial statements. We have also disclosed to you all information in relation to any allegations of fraud or suspected fraud communicated by employees, former employees, analysts, regulators or others, that could affect the financial statements.

2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have made available to you all minutes of the meetings of the Authority and its relevant committees or summaries of actions of recent meetings for which minutes have not yet been prepared held through the to the most recent meeting.

These transactions have been appropriately accounted for and disclosed in the financial statements.
